

SAMUEL BENEDICT H. VILLAMOR

Alcala, Pangasinan | villamorsamuelbenedict@gmail.com | 0994 895 0132

PROFESSIONAL SUMMARY

IT professional with hands-on experience in database development, SSRS report design, and system implementation. Proven ability to write SQL queries, build data reports, and support business analyst teams in translating requirements into working solutions. Proficient at working across technical and functional teams to deliver reliable, data-driven solutions.

PROFESSIONAL EXPERIENCE

Junior Implementor | System Administrator — One Document Corporation, Bayambang, Pangasinan

July 2025 – February 2026

- Designed and deployed SSRS (RDL) reports for auditing, data tracking, and business analysis, directly supporting management reporting needs.
- Authored SQL database objects (tables, triggers, stored procedures) to enforce data integrity and automate audit trails.
- Collaborated with Business Analyst team to gather requirements, analyze workflows, and implement system solutions.
- Maintained system configurations and performed administrative tasks ensuring consistent uptime and data accuracy.
- Provided Tier 1/2 helpdesk support, diagnosing and resolving system and data issues for end-users.

System Administrative Support Intern — One Document Corporation, Bayambang, Pangasinan

February 2025 – May 2025

- Supported the Business Analyst team in system monitoring, data updates, and issue tracking.
- Managed data records using Excel — cleaned datasets, ensured record accuracy, and prepared reports for review.
- Documented system bugs and escalated to the technical team, contributing to process improvements.
- Assisted end-users with technical issues, building foundational helpdesk and communication skills.

CORE SKILLS

SQL / SSMS	Table creation, triggers, stored procedures, complex queries
SSRS / RDL	Report design, parameterized reports, data-driven layouts
Microsoft Excel	VLOOKUP, XLOOKUP, data cleaning, dashboards
Power BI	Data modeling, DAX basics, interactive dashboards
Figma	UI/UX prototyping and wireframing
Soft Skills	Analytical thinking, attention to detail, problem-solving, team collaboration

EDUCATION

Bachelor of Science in Information Technology

Pangasinan State University – Bayambang Campus | 2025 | **Latin Honors Graduate**

CERTIFICATIONS

- Power BI for Beginners – 2026
- Cybersecurity Foundations – 2025
- 2nd CITEDH-R1 Regional Research Conference in ITE & SKILLS Competitions (CRRCISC) – 2024
- Introduction to Packet Tracer – 2023
- Fundamentals of Digital Marketing – 2023
